Walk with HIM

Our theme is "Walk with Him," and our hope is that as you get to know Jesus better this week, your walk with Him will be a little closer. That closer walk, however, involves willingness to be trained for service. D.L. Moody once said, "It is better to train ten people than to do the work of ten people. But it is harder!" Regardless, the counsel is that all should be trained for useful service. We are instructed, "A practical training is worth far more than any amount of mere

theorizing. It is not enough even to have knowledge. We must have ability to use the knowledge aright" (MH 450). As we meet together to "walk with Him" look for those portions in the presentations that provide not only information, but also teach the practical aspects in how to serve God, men and women, boys and girls. May God bless you abundantly during this convocation. —Ken Wiebe, President
