**Be Ye Glad [024]**

In these days of confused situations  
 In this night of a restless remorse  
 When the heart and the soul of a nation  
 Lay wounded and cold as a corpse  
 From the grave of the innocent Adam  
 Comes a song bringing joy to the sad  
 Oh, your cry has been heard and the ransom  
 Has been paid up in full, be ye glad  
 (Chorus)  
 Oh, be ye glad  
 Oh, be ye glad  
 Every debt that you've ever had  
 Has been paid up in full by the grace of the Lord  
 Be ye glad, be ye glad, be ye glad  
 So be like lights on the rim of the water  
 Giving hope in a storm sea of night  
 Be a refuge amidst the slaughter  
 Of these fugitives in their flight  
 For you are timeless and part of a puzzle  
 You are winsome and young as a lad  
 And there is no disease or no struggle  
 That can pull you from God, be ye glad  
 (Chorus x2)

You're one brick short of a load now, brother.

C  
You are one shot away from a bull's eye.  
You are missing the mark on your spiritual walk.

Started walking away, now you're sinking  
Into the deep. Wake up from the sleep.

See you're one fry short of a happy meal.  
You are incomplete by your own deceit.

You turned your back, now you're going swimming.

(Intro Riff)

(Chorus)

You're sinking low, how low can you go?  
So low that you don't know which way to go.

To the truth or to the dare?

If you take the dare then you'll be swallowed there.  
Run to the truth and you will find

That a rescue arrives just in time  
To pick you up back on your feet.

*O-be-dience is neat.*

Frustrated brother, see how he's tried to,  
Light his own candle some other way  
See now our sister she's been robbed and lied to,  
Still holds a candle without a flame

So carry your candle, run to the darkness,  
Seek out the lonely, the tired and worn,  
Hold out your candle for all to see it,  
Take your candle, go light your world  
Take your candle, go light your world

We are a family whose hearts are blazing,  
So let's raise our candles and light up the sky  
Praying to our Father, "In the name of Jesus,  
Make us a beacon in darkest times!"

So carry your candle, run to the darkness  
Seek out the helpless, deceived and poor  
Hold out your candle for all to see it

**Coloring Song (The) [039]**

E

Red is the color of the blood that flowed

D A E

Down the face of Someone who loved us so.

He's the perfect man, He's the Lord's own Son,

D A E

He's the Lamb of God, He's the only One

D A E

That can give us life, that can make us grow,

D A E E D A E

That can make the love between us flow.

Blue is the color of a heart so cold

That will not bend when the story's told

Of the love of God for a sinful race,

Of the blood that flowed down Jesus' face

That can give us life, that can make us grow,

That can keep our hearts from growing cold.

Gold is the color of the morning sun

That shines so freely on everyone.

It's the Son of love that keeps us warm,

It's the Son of love that calms the storm,

That can give us life, that can make us grow,

That can turn our morning into gold.

Brown is the color of the autumn leaves

When the winter comes to the barren trees

There is birth, there is death, there is a plan,

And there's just one God,

And there's just one Man

That can give us life, that can make us grow,

That can make our sins as white as snow.

 Rising from the African plain  
 It's the song of the forgiven  
 Drowning out the Amazon rain  
 The song of Asian believers

 A love song born of a grateful choir

 Let praises echo from the towers of cathedrals  
 To the faithful gathered underground  
 Of all the songs sung from the dawn of creation  
 Some were meant to persist  
 Of all the bells rung from a thousand steeples  
 None rings truer than this

Split into two groups and each group sing alternating between I Could Sing of Your Love Forever and Amazing Grace as outlined below as a round:

(Group 1)

E F#m  
Over the mountains and the seas

G  
Your river runs with love for me  
Bsus

And I will open up my heart  
B E

And let the Healer set me free  
E F#m

I'm happy to be in the truth

And I will daily lift my hands

B E

When Your love came down

E F#m  
I could sing of Your love forever

A B  
I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever

'Twas grace that taught my heart to fear,  
And grace my fears relieved;  
How precious did that grace appear  
The hour I first believed.

Over the mountains and the seas  
Your river runs with love for me  
And I will open up my heart  
And let the Healer set me free  
I'm happy to be in the truth  
And I will daily lift my hands  
For I will always sing of  
When Your love came down

I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever

When we've been there ten thousand years,  
Bright shining as the sun,  
We've no less days to sing God's praise  
Than when we'd first begun.

(Group 2)

Amazing grace! How sweet the sound  
That saved a wretch like me!  
I once was lost, but now am found;  
Was blind, but now I see.

Over the mountains and the seas  
Your river runs with love for me  
And I will open up my heart  
And let the Healer set me free  
I'm happy to be in the truth  
And I will daily lift my hands  
For I will always sing of  
When Your love came down

I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever

Through many dangers, toils and snares,  
I have already come;  
'Tis grace hath brought me safe thus far,  
And grace will lead me home.

Over the mountains and the seas  
Your river runs with love for me  
And I will open up my heart  
And let the Healer set me free  
I'm happy to be in the truth  
And I will daily lift my hands  
For I will always sing of  
When Your love came down

I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever  
I could sing of Your love forever

**In Christ Alone [138]**(Capo 2<sup>nd</sup> Fret)

In Christ alone will I glory  
 Though I could pride myself in battles won  
 For I've been blessed beyond measure  
 And by His strength alone I'll overcome  
 Oh, I could stop and count successes  
 Like diamonds in my hands  
 But those trophies could not equal  
 To the grace by which I stand

(Chorus)

In Christ alone, I place my trust  
 And find my glory in the power of the cross.  
 In every victory let it be said of me  
 My source of strength, my source of hope  
 Is Christ alone.

In Christ alone will I glory  
 For only by His grace I am redeemed  
 For only His tender mercy  
 Could reach beyond my weakness to my need  
 Now I seek no greater honor

**It's Gonna Rain [146]**

(Chorus)  
 E  
 It's gonna rain, well it's gonna rain,  
 A B7 E  
 You better get ready, 'cause it's gonna rain.  
 When God showed Noah the rainbow sign,  
 A B7 E  
 He said it won't be water, but fire next time.  
 Way back in the Bible days,  
 Noah told the people that it's gonna rain.  
 But when he did, they didn't pay him no mind.  
 So when it happened they were all left behind.

When the rains began to fall  
 They knocked on the windows  
 And knocked on the doors.  
 But they didn't know exactly  
 What they should do,  
 And you don't want that to happen to you.

Noah cried out, "I'm sorry my friends,  
 But God has shut the door, and you can't get in."  
 If something doesn't happen to the hearts of men,  
 The same old thing is gonna happen again.  
 (Chorus)

Life just goes on.

And there's more than this life alone can be.

Tonight he lies in silence staring into space,

And looks for ways to make tomorrow better than today,

But in the morning light it looks the same;

Life just goes on.

He takes care of his family, he takes care of his work,

And every Sabbath morning he takes his place at the church;

And somehow he still feels a need to search,

But life just goes on.

 He'll do the same for you.  
 Just ask Him in, He'll change your sin  
 Then you can pass it on.

 In winter when it's snowing.  
 It covers all with white  
 And you'll be happy knowing.

 It covers all your sin.  
 You're pure as wool, your joy is full,  
 You'll want to pass it on.

 When all the trees are budding  
 The birds begin to sing  
 The flowers start their blooming

 This happiness that I've found

 The Lord of love has come to me

Just for discussion, through random selection

F G F G/B C F2 C

We've chosen two couples who haven't a clue

Rothchild was lucky to marry so wealthy  
 Evelyn bought him a house on the beach  
 Reuben and Sue had nothing but Jesus  
 And each night they would pray that He'd care for them each

(Chorus)

F G F G/B C F2 C

One set of Joneses was standing that day

Evelyn's daddy was proud of young Rothchild  
 He worked the late hours to be number one  
 But just newlyweds and their marriage got rocky  
 He's flying to Dallas; She's having a son

Reuben was holding a Gideon's Bible  
 He screamed "It's a boy!" so that everyone heard  
 The guys at the factory took a collection  
 Again, God provided for bills He'd incurred

 Before things get worse than they already have

You can see you're far away from home

Echoes of the life you once knew

Call out to you from across the divide

And you know it's time

You're listening for thunder

While He quietly whispers your name

(1st Chorus end)

...whispers your name

Night falls and the curtain goes down

No one's around, it's just you and the truth

As you lie and wait for a feeling to take you by storm

Somewhere in the depths of your heart

Where it's empty and dark, there's a flicker of light

And the Spirit calls but do you notice at all?

Or are you...

(Chorus)

But the sign and the word have already been given

Instead of...

This time I cannot disguise *All the doubt I'm feeling*

**Amazing Grace [502]**

D D7 G D  
 Amazing grace! How sweet the sound

A7  
 That saved a wretch like me!

D D7 G D  
 I once was lost, but now am found;

A7 D G D  
 Was blind, but now I see.

'Twas grace that taught my heart to fear,  
 And grace my fears relieved;  
 How precious did that grace appear  
 The hour I first believed.

Through many dangers, toils and snares,  
 I have already come;  
 'Tis grace hath brought me safe thus far,  
 And grace will lead me home.

When we've been there ten thousand years,  
 Bright shining as the sun,  
 We've no less days to sing God's praise  
 Than when we'd first begun.

(Extra verses)

The Lord has promised good to me,  
 His Word my hope secures;  
 He will my Shield and Portion be,  
 As long as life endures.

Yea, when this flesh and heart shall fail,  
 And mortal life shall cease,  
 I shall possess, within the veil,  
 A life of joy and peace.

The earth shall soon dissolve like snow,  
 The sun forbear to shine;  
 But God, Who called me here below,  
 Shall be forever mine.

**Fill My Cup Lord [515]**

G D  
 Like the woman at the well, I was seeking  
 G  
 For things that could not satisfy.  
 G7 C  
 And then I heard my Savior speaking  
 D G  
 "Draw from My well that never shall run dry"

(Chorus)

D  
 Fill my cup, Lord, I lift it up, Lord  
 G  
 Come and quench this thirsting of my soul;  
 G7 C C7  
 Bread of Heaven feed me till I want no more  
 D G  
 Fill my cup, fill it up and make me whole

There are millions in this world who are craving  
 The pleasure earthly things afford  
 But none can match the wondrous treasure  
 That I find in Jesus Christ my Lord.  
 (Chorus)

So my brother, if the things this world gave you  
 Leave hungers that won't pass away  
 My blessed Lord will come and save you  
 If you kneel to Him and humbly pray  
 (Chorus)

 It was my sin that held Him there  
 Until it was accomplished  
 His dying breath has brought me life  
 I know that it is finished

I will not boast in anything

 His wounds have paid my ransom

**In Christ Alone [527]**

Intro: C G F G C

In Christ alone my hope is found  
 He is my light, my strength, my song  
 This Cornerstone, this solid ground  
 Firm through the fiercest drought and storm  
 What heights of love, what depths of peace  
 When fears are stilled, when strivings cease  
 My Comforter, my All in All  
 Here in the love of Christ I stand

In Christ alone, who took on flesh  
 Fullness of God in helpless babe  
 This gift of love and righteousness  
 Scorned by the ones He came to save  
 'Til on that cross as Jesus died  
 The wrath of God was satisfied  
 For every sin on Him was laid  
 Here in the death of Christ I live

There in the ground His body lay  
 Light of the world by darkness slain  
 Then bursting forth in glorious day  
 Up from the grave He rose again  
 And as He stands in victory  
 Sin's curse has lost its grip on me  
 For I am His and He is mine  
 Bought with the precious blood of Christ

No guilt in life, no fear in death  
 This is the power of Christ in me  
 From life's first cry to final breath  
 Jesus commands my destiny  
 No power of hell, no scheme of man  
 Can ever pluck me from His hand  
 'Til He returns or calls me home  
 Here in the power of Christ I'll stand

'Til He returns or calls me home  
 Here in the power of Christ I'll stand

**In The Garden [528]**

And the joy we share as we tarry there,

None other has ever known.

He speaks, and the sound of His voice,  
Is so sweet the birds hush their singing,  
And the melody that He gave to me,  
Within my heart is ring - ing.

(Chorus)

I'd stay in the garden with Him,  
Though the night around me be falling,  
But He bids me go, through the voice of woe,  
His voice to me is calling.

(Chorus)

**In The Sweet By And By [529]**

 It is well, it is well, with my soul.

Though Satan should buffet,  
 Though trials should come,  
 Let this blessed assurance control,  
 That Christ has regarded my helpless estate,  
 And hath shed His own blood for my soul.

(Chorus)

My sin, oh, the bliss of this glorious thought!  
 My sin, not in part but the whole,  
 Is nailed to the cross, and I bear it no more,  
 Praise the Lord, praise the Lord, O my soul!  
 (Chorus)

For me, be it Christ, be it Christ hence to live:  
 If Jordan above me shall roll,  
 No pang shall be mine, for in death as in life  
 Thou wilt whisper Thy peace to my soul.  
 (Chorus)

But, Lord, 'tis for Thee, for Thy coming we wait,  
 The sky, not the grave, is our goal;  
 Oh trump of the angel! Oh voice of the Lord!  
 Blessed hope, blessed rest of my soul!  
 (Chorus)

And Lord, haste the day  
 When my faith shall be sight,  
 The clouds be rolled back as a scroll;  
 The trump shall resound,  
 And the Lord shall descend;  
 Even so, it is well with my soul.  
 (Chorus)

 Stars and angels sing around Thee  
 Center of unbroken praise  
 Field and forest, vale and mountain  
 Flowery meadow, flashing sea  
 Chanting birds and flowing fountains  
 Call us to rejoice in Thee

Thou art giving and forgiving  
 Ever blessing, ever blessed  
 Wellspring of the joy of living  
 Ocean depth of happy rest  
 Thou our Father, Christ our brother  
 All who live in love are Thine  
 Teach us how to love each other  
 Lift us to the joy divine

Mortals join this happy chorus  
 Which the morning stars began  
 Father love is reigning over us  
 Brother love binds man to man  
 Ever singing march we onward  
 Victors in the midst of strife  
 Joyful music leads us sunward  
 In the triumph song of life.

Just as I am, tho' tossed about  
 With many a conflict, many a doubt,  
 Fightings within, and fears without,

Just as I am, Thou wilt receive,  
 Wilt welcome, pardon, cleanse, relieve;  
 Because Thy promise I believe,

 Now to be Thine, yea Thine alone,

 Where is the soul refreshing view

What peaceful hours I once enjoyed!  
 How sweet their memory still!  
 But they have left an aching void  
 The world can never fill.

Return, O holy Dove, return,  
 Sweet messenger of rest!  
 I hate the sins that made Thee mourn  
 And drove Thee from my breast.

The dearest idol I have known,  
 Whate'er that idol be  
 Help me to tear it from Thy throne,  
 And worship only Thee.

So shall my walk be close with God,  
 Calm and serene my frame;  
 So purer light shall mark the road  
 That leads me to the Lamb.

Till my trophies at last I lay down;

E A F#7  
I will cling to the old rugged cross,

E B E  
And exchange it some day for a crown.

Oh that old rugged cross,  
So despised by the world.  
Has a wondrous attraction for me,  
For the dear Lamb of God left His glory above,  
To bear it to dark Calvary.

(Chorus)

In the old rugged cross,  
Stained with blood so divine,  
A wondrous beauty I see.  
For 'twas on that old cross  
Jesus suffered and died  
To pardon and sanctify me.

(Chorus)

To the old rugged cross, I will ever be true,  
Its shame and reproach gladly bear,  
Then He'll call on me some day  
To my home far away,  
Where His glory forever I'll share.

(Chorus)

Not the labors of my hands  
 Can fulfil Thy law's demands;  
 Could my zeal no respite know,  
 Could my tears forever flow,  
 All for sin could not atone;  
 Thou must save, and Thou alone.

Nothing in my hand I bring,  
 Simply to Thy cross I cling.  
 Naked, come to Thee for dress;  
 Helpless, look to Thee for grace;  
 Foul, I to the fountain fly;  
 Wash me, Saviour, or I die!

While I draw this fleeting breathe,  
 When mine eyes shall close in death,  
 When I soar to worlds unknown,  
 See Thee on Thy judgement throne,  
 Rock of Ages, cleft for me,  
 Let me hide myself in Thee.

There Is A Fountain [556]

A D A  
There is a fountain filled with blood  
E7

Drawn from Immanuel's veins;

A D A  
And sinners plunged beneath that flood  
E7 A

Lose all their guilty stains.

A D  
Lose all their guilty stains,

A E7  
Lose all their guilty stains.

A D A  
And sinners plunged beneath that flood  
E7 A

Lose all their guilty stains.

The dying thief rejoiced to see  
That fountain in his day;  
And there may I, though vile as he,  
Wash all my sins away.  
Wash all my sins away, wash all my sins away.  
And there may I, though vile as he,  
Wash all my sins away.

Dear dying Lamb, Thy precious blood  
Shall never lose its power,  
Till all the ransomed church of God  
Be saved to sin no more.  
Be saved to sin no more,  
Be saved to sin no more.  
Till all the ransomed church of God  
Be saved to sin no more.

E'er since, by faith, I saw the stream  
Thy flowing wounds supply,  
Redeeming love has been my theme,  
And shall be till I die.  
And shall be till I die, and shall be till I die.  
Redeeming love has been my theme,  
And shall be till I die.

Then in a nobler, sweeter song,  
I'll sing Thy pow'r to save,  
When this poor lisping, stamm'ring tongue  
Lies silent in the grave.  
Lies silent in the grave, lies silent in the grave.  
When this poor lisping, stamm'ring tongue  
Lies silent in the grave.

He speaks to me ev'rywhere.

That though the wrong seems oft so strong,  
God is the Ruler yet.

Jesus who died shall be satisfied,  
And Earth and Heav'n be one.

This is my Father's world;  
Why should my heart be sad?

What A Friend We Have In Jesus [560]

D G  
What a friend we have in Jesus,

D A7  
All our sins and grief's to bear.

D G  
What a privilege to carry

D A7 D  
Everything to God in prayer.

A7 D D7  
Oh, what peace we often forfeit.

G D A7  
Oh, what needless pain we bear.

D G  
All because we do not carry

D A7 D  
Everything to God in prayer.

Have we trials and temptations?  
Is there trouble everywhere?

We should never be discouraged.  
Take it to the Lord in prayer.

Can we find a friend so faithful  
Who will all our sorrows share?  
Jesus knows our every weakness;  
Take it to the Lord in prayer.

Are we weak and heavy laden,  
Cumbered with a load of care?  
Precious Saviour, still our refuge...

Take it to the Lord in prayer.  
Do thy friends despise, forsake thee?  
Take it to the Lord in prayer.  
In His arms He'll take and shield thee,  
Thou wilt find a solace there.

When I Survey The Wondrous Cross [561]

D G D  
When I survey the wondrous cross

G D A  
On which the Prince of glory died,

D G D  
My richest gain I count but loss,

A G D  
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,  
Save in the death of Christ my God!  
All the vain things that charm me most,  
I sacrifice them to His blood.

See from His head, His hands, His feet,  
Sorrow and love flow mingled down!  
Did e'er such love and sorrow meet,  
Or thorns compose so rich a crown?

His dying crimson, like a robe,  
Spreads o'er His body on the tree;  
Then I am dead to all the globe,  
And all the globe is dead to me.

Were the whole realm of nature mine,  
That were a present far too small;  
Love so amazing, so divine,  
Demands my soul, my life, my all.

To Christ, Who won for sinners grace  
By bitter grief and anguish sore,  
Be praise from all the ransomed race  
Forever and forevermore.

When The Roll Is Called Up Yonder [562]

When the trumpet of the Lord shall sound  
 And time shall be no more  
 And the morning breaks eternal bright and fair;  
 When the saved of Earth shall gather  
 Over on the other shore,  
 When the roll is called up yonder I'll be there

(Chorus)

When the roll is called up yonder,  
 When the roll is called up yonder,  
 When the roll is called up yonder,  
 When the roll is called up yonder I'll be there

On that bright and cloudless morning,  
 When the dead in Christ shall rise  
 And the glory of His resurrection share;  
 When His chosen ones shall gather  
 To their home beyond the skies,  
 When the roll is called up yonder I'll be there.  
 (Chorus)

Let us labor for the Master  
 From the dawn to setting sun;  
 Let us talk of all His wondrous love and care.  
 Then when all of life is over  
 And our work on earth is done,  
 When the roll is called up yonder I'll be there.  
 (Chorus)

Will The Circle Be Unbroken [563]

I was standing by my window  
 On a cold and cloudy day,  
 When I saw that hearse come rolling  
 For to carry my mother away.

(Chorus)

Will the circle be unbroken  
 By and by, Lord, by and by.  
 There's a better home awaitin'  
 In the sky, Lord, in the sky.

I went home; my home was lonely.  
 Now my mother, she was gone;  
 All my brothers, sisters crying.  
 What a home so sad and alone.  
 (Chorus)

Lord, I told that undertaker,  
 Undertaker please drive slow,  
 For this body that you are hauling  
 Lord, I hate to see her go.  
 (Chorus)

I followed close behind her  
 Tried to hold up and be brave  
 But I could not hide my sorrow  
 When they laid her in the grave.  
 (Chorus)

(Continued next column)

In Bethlehem in Israel  
This blessed babe was born,  
And laid within a manger  
Upon this blessed morn;  
To which His mother Mary  
Did nothing take in scorn.  
(Chorus)

From God our heavenly Father  
A blessed angel came,  
And unto certain shepherds  
Brought tidings of the same,  
How that in Bethlehem was born  
The Son of God by name.  
(Chorus)

Fear not, said the angel,  
Let nothing you affright.  
This day is born a savior  
Of the pure virgin bright  
To free all those who trust in Him  
From Satan's power and might  
(Chorus)

The shepherds at those tidings  
Rejoiced much in mind,  
And left their flocks a feeding  
In tempest, storm and wind,  
And went to Bethlehem straightaway,  
The blessed babe to find.  
(Chorus)

And when they came to Bethlehem  
Where our dear Savior lay,  
They found Him in a manger,  
Where oxen feed on hay;  
His mother Mary kneeling down,  
Unto the Lord did pray.  
(Chorus)

Now to the Lord sing praises,  
All ye within this place;  
And with true love and brotherhood,  
Each other now embrace;  
This holy tide of Christmas,  
Of beauty and of grace.  
(Chorus)

It Came Upon A Midnight Clear [609]

 From angels bending near the earth,

 B7 Em D Em  
 Peace on the Earth, good will to men,  
 A A7 D D7  
 From Heaven's all-gracious King;  
 G C G C G  
 The world in solemn stillness lay,

 To hear the angels sing.

And ye, beneath life's crushing load,  
 Whose forms are bending low,  
 Who toil along the climbing way  
 With painful steps and slow  
 Look now, for glad and golden hours  
 Come swiftly on the wing;  
 O rest beside the weary road,  
 And hear the angels sing.

And lo, the days are hastening on,  
 By prophet seen of old,  
 When, with the ever-circling years,  
 Shall come the time foretold,  
 When the new Heaven and Earth shall own  
 The Prince of Peace their King,  
 And the whole world send back the song  
 Which now the angels sing.

 Repeat the sounding joy,

No more let sins and sorrows grow,  
 Nor thorns infest the ground;  
 He comes to make  
 His blessings flow  
 Far as the curse is found,  
 Far as the curse is found,  
 Far as, far as the curse is found.

He rules the world with truth and grace,  
 And makes the nations prove  
 The glories of  
 His righteousness.  
 And wonders of His love,

 And wonders, wonders of His love.

Em Dsus G/B A/C# Dsus  
Gave proof to the night that our flag was still there.  
G D/F# Em Am Dsus D  
O say does that star-spangled banner yet wave  
D G D/F# Em G D/F# Am D G  
O'er the land of the free and the home of the brave!

On the shore dimly seen thro' the mists of the deep,  
Where the foe's haughty host in dread silence reposes,  
What is that which the breeze, o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory reflected, now shines on the stream:  
'Tis the star-spangled banner: O, long may it wave  
O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore  
That the havoc of war and the battle's confusion,  
A home and a country should leave us no more?  
Their blood has wash'd out their foul footsteps' pollution.  
No refuge could save the hireling and slave  
From the terror of flight or the gloom of the grave:  
And the star-spangled banner in triumph doth wave  
O'er the land of the free and the home of the brave.

O thus be it ever when free-men shall stand  
Between their lov'd home and the war's desolation;  
Blest with vict'ry and peace, may the heav'n-rescued land  
Praise the Pow'r that hath made and preserv'd us a nation!  
Then conquer we must, when our cause it is just,  
And this be our motto: "In God is our trust!"  
And the star-spangled banner in triumph shall wave  
O'er the land of the free and the home of the brave!

Can circumstances possibly  
Change who I forever am in You

Maybe since my life was changed  
Long before these rainy days  
It's never really ever crossed my mind  
To turn my back on you oh Lord  
My only shelter from the storms  
But instead I draw closer through these times

A piece of canvas is only the beginning for

We've gotta come together,  
 Aren't we all human after all?

 Should make it easy for you to see  
 That these diverse tones do more than cover our bones  
 As a part of our anatomy

We're colored people, and they call us the human race  
 [Oh, colored people]  
 We're colored people, and we all gotta share this space

**Jesus Freak [A022]**

Intro: E G D C#m B

Em C A

Separated, I cut myself clean  
 From a past that comes back in my darkest of dreams  
 Been apprehended by a spiritual force  
 And a grace that replaced all the me. I've divorced.

E C  
 I saw a man with tattoo on his big fat belly  
 A Am  
 It wiggled around like marmalade jelly  
 It took me a while to catch what it said  
 Cause I had to match the rhythm of his belly with my head  
 'Jesus Saves' is what it raved in a typical tattoo green  
 E C  
 He stood on a box in the middle of the city  
 A Am  
 And claimed he had a dream

(Chorus)

E G D A B  
 What will people think when they hear that I'm a Jesus freak  
 What will people do when they find that it's true  
 I don't really care if they label me a Jesus freak  
 Cause there ain't no disguising the truth

Kamikaze my death is gain  
 I've been marked by my Maker  
 A peculiar display  
 The high and lofty they see me as weak  
 Cause I won't live and die for the power they seek

There was a man from the desert with naps in his head  
 The sand that he walked was also his bed  
 The words that he spoke made the people assume  
 There wasn't too much left in the upper room  
 With skins on his back and hair on his face  
 They thought he was strange by the locusts he ate  
 The Pharisee's tripped when they heard him speak  
 Until the king took the head of this Jesus freak  
 (Chorus)

I ain't into hidin'

(Bridge)

E G D A  
 People say I'm strange, does it make me a stranger  
 That my best friend was born in a manger  
 People say I'm strange, does it make me a stranger  
 That my best friend was born in a manger

(Chorus x2)

What will people think  
*What will people think*  
 What will people do  
*What will people do*  
 I don't really care  
*What else can I say*  
 There ain't no disguising the truth  
*Jesus is the way*

Jesus is alright, I know He's alright

Jesus is alright, you know He's alright

Jesus is alright, we know He's alright

Jesus is alright, we know He's alright

[now we come to the pay off]

I'm down with the one that is known as the son

Of the G to the O to the D never done

With the flow, in the know, on the go like a pro

Not for show cause I ain't in the biz for the dough

Or the me, or the ray, all the doughs gotta stay,

Cause I cant, no I cant, take it home anyway

Never trite when I write cause the lord is my light

And his word is my bond so ya know, He's alright

O Lord my God, When I in awesome wonder,  
Consider all the worlds Thy Hands have made;  
I see the stars, I hear the rolling thunder,  
Thy power throughout the universe displayed.

How great Thou art, how great Thou art!

F C G

How great You are! How great You are!

And when I think, that God, His Son not sparing;  
Sent Him to die, I scarce can take it in;  
That on the Cross, my burden gladly bearing,  
He bled and died to take away my sin.

(Chorus)

How great You are! How great You are!  
How great You are! How great You are!

When Christ shall come, with shout of acclamation,  
And take me home, what joy shall fill my heart.  
Then I shall bow, in humble adoration, And then proclaim:  
"My God, how great Thou art!"

(Chorus)

How great You are! How great You are!  
How great You are! How great You are!  
How great You are! How great You are!

Oh, I'm gonna sing and never get tired one of these days,  
Hallelujah!

I'm gonna sing and never get tired

I'm gonna view that holy city, (and I will) meet my loving Jesus,  
(we're gonna) sit at the welcome table, (and we will) feast on  
milk and honey, (keep singing) sing and never get tired one of  
these days, one of these days

You know that I'm gonna view that holy city

Oh, I'm gonna view that holy city one of these days, Hallelujah!

I'm gonna view that holy city

I'm gonna view that holy city, (and I will) sing and never get  
tired, (we're gonna) sing and never get tired, (and we will) sing  
and never get tired, (oh, we're gonna) sing and never get tired  
one of these days, one of these days
